

Frank Sinatra by Cake (transposed -2)

Basically just play: Dm A# F A7

Dm
We know of an ancient radiation that
A#
haunts dismembered constellations
F A7
A faintly glimmering radio station

Dm
While Frank Sinatra sings Stormy Weather
A#
The flies and spiders get along together
F A7
Cobwebs form on an old skipping record

Dm
Beyond the suns that guard this roost
A#
Beyond your flowers of flaming truths
F A7
Beyond your latest ad campaigns

Dm
An old man sits collecting stamps
A#
In a room all filled with Chinese lamps
F A7
He saves what others throw away, he says that he'll
be rich someday

Dm
We know of an ancient radiation that
A#
haunts dismembered constellations
F A7
A faintly glimmering radio station
