

Seven Nation Army by The White Stripes

[Intro]

Em G C B 4x

[Verse 1]

Em G C B
I'm gonna fight 'em off
Em G C B
A seven nation army couldn't hold me back
Em G C B
They're gonna rip it off
Em G C B
Taking their time right behind my back
Em G C
And I'm talking to myself at night
B Em G C B
Because I can't forget
Em G C
Back and forth through my mind
B Em G C B
Behind a cigarette
Am B
And a message coming from my eyes says leave it
alone

[Instrumental]

Em G C B 2x

[Verse 2]

Em G C B
Don't want to hear about it

Em G C B
Every single one's got a story to tell
Em G C B
Everyone knows about it
Em G C B
From the Queen of England to the hounds of Hell
Em G C B
And if I catch it coming back my way
Em G C B
I'm gonna serve it to you
Em G C B
And that ain't what you want to hear
Em G C B
But that's what I'll do
Am B
And a feeling coming from my bones says find a home

[Instrumental, guitar solo]

Em G C B 4x

[Verse 3]

Em G C B
I'm going to Wichita
Em G C B
Far from this opera, forever more
Em G C B
I'm going to work the straw
Em G C B
Make the sweat drip out of every pore
Em G C
And I'm bleeding and I'm bleeding and I'm bleeding
B Em G C B
Right before the Lord

Em G C
All the words are going to bleed from me
B Em G C B
And I will think no more
Am B
And the stains coming from my blood tell me go back
home

[Outro]

Em G C B 4x
