

Where The Streets Have No Name - U2 // 1987 // key: D // All chords are 8 beats

Intro: | **D** | **D** |
| **D** | **G** | **D** | **G** |
| **Bm** | **A** | **C** | **C** |

1. I want to run, I want to hide
D **D**
I want to tear down the walls that hold me inside
D **G**
I want to reach out and touch the flame
Bm **A**
Where the streets have no name ah, ah, ah
C **C**

2. I want to feel, sunlight on my face
D **D**
I see the dust cloud disappear without a trace
D **G**
I want to take shelter from the poison rain
Bm **A**
Where the streets have no name, oh ah
C **C**

Chorus: Where the streets have no name, where the streets have no name
D **D**
We're still building then burning down love, burning down love
G **G**
And when I go there, I go there with you... it's all I can do
Bm **A** **(D)**

Interlude: | **D** | **D** |

3. The city's a flood, and our love turns to rust
D **D**
We're beaten and blown by the wind trampled in dust
D **G**
I'll show you a place high on a desert plain
Bm **A**
Where the streets have no name, oh ah
C **C**

Chorus: [Repeat Chorus]

Outro: [This is a sort of extended chorus]

D **D**
Our love turns to rust
D **D**
We're beaten and blown by the wind, blown by the wind
G **G**
Oh, and I see love, see our love turn to rust
D **D**
Ah we're beaten and blown by the wind, blown by the wind
G **G**
Oh when I go there, I go there with you, it's all I can do
Bm **A** **D***
