VERSE ONE

G **C**
We turn away to face the cold, enduring chill
F **C** **G**

As the day begs the night for mercy, love

G **C**
The sun so bright it leaves no shadows
F **C** **G**

Only scars, carved into stone on the face of it.

G **C**
The moon is up and over One Tree Hill
F **C** **G**

We see the sun go down in your eyes

GHORUS

F **C** **G**
You run like a river, on like the sea

F **C** **G**
You run like a river runs to the sea

VERSE TWO

G **C**
And in the world a heart of darkness, a fire-zone
F **C** **G**

Where poets speak their heart then bleed for it

G **C**
Jara sang, his song a weapon, in the hands of one
F **C** **G**

You know his blood still cries from the ground

GHORUS

F **C** **G**
You run like a river, on like the sea

F **C** **G**
You run like a river runs to the sea

INSTRUMENTAL

| G | G | C | C | → | G | G | G | G |
| G | G | C | C | → | F | C | G | G |

VERSE THREE

G **C**
I don't believe in painted roses or bleeding hearts
F **C** **G**

While bullets rape the night of the merciful

G **C**
I'll see you again when the stars fall from the sky
F **C** **G**

And the moon has turned red over One Tree Hill

OUTRO

F **C** **G**
We run like a river runs to the sea

F **C** **G**
We run like a river to the sea

F **C** **G**
And when it's raining, raining hard

F **C** **G**
That's when the rain will break the heart

F **C** **G**
Raining, rainin' in the heart, rainin' in your heart,

F **C** **G**
Raining, rain into your heart, rainin', rainin', rainin'

F **C** **G** **F** **C** **G***
Rain into your heart, rainin'...woo! woo!

PREGNANT PAUSE

GODA

G **C** **F** **C** **G**
Oh, great ocean. Oh, great sea.

G **C** **F** **C** **G**
Run to the ocean. Run to the sea.
