[Verse 1]

E C#m B
When I look into your eyes, I can see a love restrained
E C#m B
But darling when I hold you, don't you know I feel the same
C#m F# B
Cause nothin' lasts forever, and we both know hearts can change
C#m F# B
And it's hard to hold a candle, in the cold November rain

[Verse 2]

E C#m B
We've been through this such a long, long time, Just tryin' to kill the pain, oh yeah
E
But lovers always come and lovers always go
C#m B
And no one's really sure who's lettin' go today, walkin' away
E C#m
If we could take the time to lay it on the line I could rest my head
B
Just knowin' that you were mine, all mine
C#m F# B
So if you want to love me, then darlin' don't refrain
C#m F# B
Or I'll just end up walkin', in the cold November rain

[Chorus]

E F#
Do you need some time on your own?
E F#
Do you need some time all alone?
E F#
Everybody needs some time on their own
E F#
Don't you know you need some time all alone

[Bridge]

D#m E B D#m E C#m
I know it's hard to keep an open heart, when even friends seem out to harm you
D#m E B D#m E F#
But if you could heal a broken heart, wouldn't time be out to charm you

[Solo 1]

[Chorus]

E F#
Sometimes I need some time on my own

E F#
Don't you know you need some time all alone
