C
Last week I had the strangest dream

Where everything was exactly how it seemed
Fmaj7
Where there was never any mystery
G6

Of who shot John F. Kennedy, it was
C
Just a man with something to prove
Am
Slightly bored and severely confused, he
Fmaj7
Steadied his rifle with his target in the center
G6
And became famous on that day in November

[Chorus]

C
Don't wake me I plan on sleeping...
Am
Don't wake me I plan on sleeping in
Fmaj7
Don't wake me I plan on sleeping...
G6
Don't wake me I plan on sleeping in

Fmaj7 / / / G6 / / /

[Verse]

C
Again last night I had that strange dream
Am
Where everything was exactly how it seemed
Fmaj7
Concerns about the world getting warmer
G6
People thought that they were just being rewarded

C
But treating others as they'd like to be treated
Am
For obeying stop signs and curing diseases
Fmaj7
For mailing letters with the address of the sender
G6
Now we can swim any day in November

[Chorus]

C
Don't wake me I plan on sleeping...
Am
Don't wake me I plan on sleeping in
(*We can swim any day in November*)
Fmaj7
Don't wake me I plan on sleeping...
G6
Don't wake me I plan on sleeping in

[Outro]

C
Don't wake me I plan on sleeping in
Am
Don't wake me I plan on sleeping...
Fmaj7
Ooooh ooh ooh ooh, Ooooh ooh ooh ooh

Ooh ooh repeat 4x end on C
