1. Oh honey. You don't have to try so hard. To hurt me.  
Don't worry. I been thinking bout you too. What do we do.

Prechorus: Your heart is where my head should be. The dissonance is killing me.  
It breaks my heart. It breaks my he - art.

Chorus: Oh honey. Oh honey. It's just a wave. It's just a wave.  
And I know. That when it comes. I just hold on. I just hold on.

2. Oh honey. I been talking to myself. Just to hear you.  
And you're saying. Everything I wish you would. And it's so good.

Prechorus: It's raining on the mission bell. They're draining out the wishing well.  
It breaks my heart. It breaks my he - art.

Chorus: Repeat Chorus

Prechorus: I rose on you like morning light. In shuttered dream we'll sleep at night.  
It breaks my heart.

It takes all the love I have to say. I know we're gonna be okay.  
It breaks my heart. It breaks my he - art.

Chorus: Repeat Chorus
