

Nine Inch Nails - Hurt (1994)

[Intro] Bm D E x2

[Verse]

Bm D E Bm D E Bm
I hurt myself today, to see if I still feel
D E Bm D E Bm
I focus on the pain, the only thing that's real
D E Bm D E Bm
The needle tears a hole, the old familiar sting
D E Bm D E A
Try to kill it all away, but I remember everything

Bm G D A

[Chorus]

Bm G D A
What have I become, my sweetest friend
Bm G D A
Everyone I know, goes away in the end
Bm G D A
And you could have it all, my empire of dirt
Bm G A Bm
I will let you down, I will make you hurt

D E Bm x2

[Verse]

D E Bm D E Bm
I wear this crown of shit, upon my liar's chair
D E Bm D E Bm
Full of broken thoughts, I cannot repair
D E Bm D E Bm
Beneath the stains of time the feeling disappears
D E Bm D E A
You are someone else, I am still right here

[Chorus]

Bm G D A
What have I become, my sweetest friend
Bm G D A
Everyone I know, goes away in the end
Bm G D A
And you could have it all, my empire of dirt
Bm G A
I will let you down, I will make you hurt

[Outro]

Bm G D A
If I could start again, a million miles away
Bm G D A Bm
I would keep myself, I would find a way.

D E Bm x2
