D **G/D**
I've seen the lights go out
D **D_A7/C#**
on Broadway
Bm **G** **A** **G(add2)**
I saw the Empire State laid low.
F#m7 **Bm** **Bm9**
And life went on beyond the Palisades,
Bm **D/A** **A**
They all bought Cadillacs
G(add2) **G_A**
And left there long ago.

D **G/D** **D** **D_A7/C#**
They held a concert out in Brooklyn
Bm **G(add2)** **A_Asus4_A**
To watch the island bridges blow.
G(add2) **D/F#** **Gmaj7**
They turned our power down
D/A **G/B**
And drove us underground
A/C# **G/B** **D**
But we went right on with the show

INTERLUDE: | **D** * | **A** **D/A_A** | (x2)

D **G/D**
I've seen the lights
D **D_A7/C#**
go out on Broadway
Bm **G** **A_Asus4_A**
I saw the ruins at my feet

F#m7 **Bm** **Bm9**
You know we almost didn't notice it
Bm **D/A** **A** **G(add2)** **G_A**
We'd see it all the time on 42nd Street
D **G/D** **D** **A7/C#**
They burned the churches up in Harlem
Bm **G** **A_Asus4_A**
Like in that Spanish Civil War
D/F# **G**
The flames were everywhere
D/A **G/B**
But no one really cared
A/C# **G/B** **D**
It always burned up there before

INTERLUDE: | **D** * | **A** **D/A_A** | (x2)

D **G/D** **D** **A7/C#**
I've seen the lights go out on Broadway
Bm **G** **A** **G(add2)**
I watched the mighty skyline fall.
F#m7 **Bm** **Bm9**
The boats were waiting at the Battery
Bm **D/A** **A**
The union went on strike
G(add2) **G_A**
They never sailed at all.
D **G/D** **D** **A7/C#**
They sent a carrier out from Norfolk
Bm **G** **A_Asus2_A**
& picked the Yankees up 4 free.
G(add2) **D/F#** **Gmaj7**
They said that Queens could stay
D/A **G/B**
They blew the Bronx away
A/C# **G/B** **D**
And sank Manhattan out at sea

INTERLUDE: | **D** * | **A** **D/A_A** | (x2)

(QUIETER)

D **G**
You know those lights were bright
D **D_A/C#**
on Broadway.
Bm **G** **A** **G(add2)**
That was so many years ago
F#m7 **Bm** **Bm9**
Before we all lived here in Florida
Bm **D/A_A** **G(add2)** **G_A**
Before the Mafia took over Mexico.
D **G/D** **D** **A/C#**
There are not many who remember
Bm **G(add2)**
They say a handful
A_Asus_A_G(add2)
still survive
D/F# **G**
To tell the world about
D/A **G/B**
The way the lights went out
A/C# **G/B** **Bb**
And keep the memory alive
