

If It Takes A Lifetime - Jason Isbell // 2015 // key: A

Intro: |A |D | 3x |A - E7 - A |

1. I been working here, Monday, it'll be a year, and I can't recall a day when I didn't wanna disappear
But I keep on showing up, hell-bent on growing up, if it takes a lifetime

2. I'm learning how to be alone, fall asleep with the TV on, and I fight the urge to live inside my telephone

I keep my spirits high, find happiness by and by, if it takes a lifetime

Chorus: I got too far from my raisin', I forgot where I come from

And the line between right and wrong was so fine

Well I thought the highway loved me but she beat me like a drum

My day will come, if it takes a lifetime

Interlude: |A |D | 3x |A - E7 - A |

3. I don't keep liquor here, never cared for wine or beer and working for the county keeps me pissin' clear
The nights are dry as dust, but I'm letting my eyes adjust if it takes a lifetime

Chorus: [Repeat First Chorus]

Bridge: |Bm |F#m |
|Bm |D |Esus4 |E7 |

4. Man is a product of all the people that he ever loved And it don't make a difference how it ended up
If I loved you once my friend, oh, I can do it all again if it takes a lifetime

Chorus: We got too far from our raisin' and we fought 'til we went numb

You were running up a mountain in your own mind

And I thought that I was running to, but I was running from

Oh, our day will come, if it takes a lifetime

Our day will come, if it takes a lifetime

Outro: |A |D | 3x |A - E7 - A |
