

Crazy on You - Heart // 1975 // key: C

Intro: | Am | F | Am | F |
| Am | G | F |

1. We may still have time, we might still get by, every time I think about it I want to cry
 With bombs and the devil, and the kids keep coming, nowhere to breathe easy, no time to be
 young [riff] [riff]
 But I tell myself that I'm doing alright, there's nothing left to do tonight

Chorus: But go crazy on you ... Crazy on you ... Let me go crazy, crazy on you ... ohh

2. My love is the evening breeze touching your skin, the gentle sweet singing of leaves in the wind
 The whisper that calls after you in the night and kisses your ear in the early
 light [riff] [riff]
 And you don't need to wonder, you're doing fine, my love, the pleasure's mine

Chorus: Let me go crazy on you ... crazy on you ... Let me go crazy, crazy on you ... ohh

Bridge: Wild man's world is crying in pain What you gonna do when everybody's insane
 So afraid of one who's so afraid of you What you gonna do?

Interlude: | A | A | E | E | E^{sus4} | E^{sus4} |

Chorus: Let me go crazy on you ... crazy on you ... Let me go crazy, crazy on you ... ohh

3. I was a willow last night in a dream, I bent down over a clear running stream
 I sang you the song that I heard up above and you kept me alive with your sweet flowing love

Chorus: Cra-zy, yeah ... Cra-azy on you ... Let me go crazy, crazy on you ... ohh
 Crazy on you ... Cra-azy on you ... Let me go crazy, crazy on you ... yeah

Solo: [chorus, bridge, and interlude chords]
