

Know It All - Billy Strings (Capo 3)

[Intro] Am C G F C G

[Verse 1]

G C G
Well all I know is everything I've learned
F G
And if I'm changing that's the reason that I'll turn
Em D
Into someone I can trust
C
Before I turn back into dust
G F G
There's an answer but I wouldn't be concerned
C G
Out of everything I've seen and all I've heard
F G
And everywhere I've been around the whole wide world
Em D
There's still something I can't find
C
I've been lost within my mind
G F G
Since you fell out of my sight without a word

[Chorus]

Em
Well I thought I knew it all
C G
Till I crashed into the wall
Am C
Let me learn from my mistakes
G F C G
And try to pick up all the pieces

[Solos] 2 times

G C G
G F G
Em D C
G F G

[Verse 2]

G C G
Well the night we met I thought you were the one
F G
Yes and when you left I nearly came undone
Em D
There's a million miles to go
C
At the end I still won't know
G F G
What I did to ever send you on the run
C G
Now the memories just keep flying 'round and 'round
F G
And I'm traveling faster than the speed of sound
Em D
Well the bigger I stand tall
C
It's the harder I may fall
G F G
On the day my vices lay me in the ground

[Chorus]

Em
Well I thought I knew it all
C G
Till I crashed into the wall
Am C
Let me learn from my mistakes
G F C G
And try to pick up all the pieces

[Solos] 2 times

[Verse 3]

G C G
Well all I know is everything I've learned
