

*INTRO*

E | A | D | E (x2)

*VERSE ONE*

E                                    A            D            E  
 I like to watch her sway  
 E                                    A            D            E  
 She's luck before I'm going away  
 E            A            D            E  
 I wonder what she thinks about her-self  
 E            A            D            E\*  
 She is mine and no one else's

*CHORUS*

E            A            D            E  
 Kim  
 E            A            D            E\*  
 Kim                                    Kimberly Austin

*REPEAT INTRO*

E | A | D | E (x2)

*VERSE TWO*

E                                    A            D            E  
 She turns the knife around  
 E                                    A            D            E  
 I watch her run it down her side  
 E            A            D            E  
 Kisses my fingers when I go by  
 E            A            D            E\*  
 See my mother in her eyes

*CHORUS*

E            A            D            E  
 Kim  
 E            A            D            E  
 Kim                                    Kimberly Austin  
 E            A            D            E  
 Kim                                    Kimberly Austin

*SOLO*

E | A | D | E (x4)

*VERSE THREE*

E                                    A            D            E  
 I like to watch her sway  
 E                                    A            D            E  
 She's luck before I'm going away  
 E            A            D            E  
 I like what she sees in her-self  
 E            A            D            E\*  
 Gives me all of her con-fi-dence

*CHORUS*

E            A            D            E  
 Kim  
 E            A            D            E  
 Kim                                    Kimberly Austin  
 E            A            D            E  
 Kim                                    Kimberly Austin  
 E            A            D            E\*  
 Kim
