

**Die Young by Sylvan Esso (2017)**

**[Intro] Fm Ab Db Eb**

**[Verse 1]**

**Fm** **Ab**  
I had it all planned out before you met me  
**Db** **Eb**  
Was gonna leave early and so swiftly  
**Fm** **Ab**  
Maybe in a fire or crash off a ravine  
**Db** **Eb**  
People would weep, "How tragic, so early"

**[Chorus]**

**Fm**  
I was gonna die young  
**Ab** **Db**  
Now I gotta wait for you, hun  
**Eb** **Fm**  
Now I gotta wait for you, hun  
**Ab** **Db** **Eb**  
Now I gotta wait for you, hun

**[Verse 2]**

**Fm** **Ab**  
I was a firecracker, baby, with something to prove  
**Db** **Eb**  
Now I gotta contend with the living blues  
**Fm** **Ab**  
I could've missed it, and never knew  
**Db** **Eb**  
Chain reaction but you're holding the fuse

**[Repeat Chorus]**

**[Interlude] Fm Ab Db Eb x 2**

**[Bridge 1]**

**Fm** **Ab**  
Oh, I don't mind, I got the fire  
**Db** **Eb**  
Electric life so high, so wild  
**Fm** **Ab**  
It's not like I chose, not like I tried  
**Db** **Eb**  
But now I gotta wait around and watch you burn so  
bright...  
**N.C.**  
I was gonna die-

**[Bridge 2]**

**Fm** **Ab**  
I had it all planned out before you met me  
**Db** **Eb**  
I had a plan, you ruined it completely  
**Fm** **Ab**  
I had it all planned out before you met me  
**Db** **Eb**  
I had a plan, you ruined it completely

**[Repeat Chorus, with Bridge 2 interspersed] x2**

i.e.

Main: I was gonna die young..

Backup: I had it all planned out before you  
met me

**[Repeat Bridge 2, but more subdued]**
