

Wake Up by Arcade Fire

[Intro/Interlude]

C C/B
Woah oh, oh oh oh oh
Am
Oh oh, oh oh oh oh
F C
Oh oh, oh oh oh oh oh

[Verse]

C C/B
Something filled up
Am
My heart with nothin'
F C
Someone told me not to cry

C C/B
Now that I'm older
Am
My heart's colder
F C
And I can see that it's a lie

[repeat Interlude]

[Verse]

C C/B
Children wake up
Am
Hold your mistake up
F C
Before they turn the summer into dust

C C/B
If the children don't grow up
Am
Our bodies get bigger but our hearts get torn up
F
We're just a million little gods causing rain storms
turning every good thing
C
to rust... I guess we'll just have to adjust

[repeat Interlude]

[Chorus]

D# C
With my lightning bolts a glowin'
D# F
I can see where I am going to be when
C
the reaper he reaches and touches my hand

[same chords as Interlude, but tempo change (faster)]

[Chorus]

C C/B Am
With my lightning bolts a glowin'
F C
I can see where I am going X 2

...You better look out below!
