

This Must Be The Place (Naive Melody) - Talking Heads // 1983 // key: G

Intro: | G | Am | C^{maj7} | Am-C^{maj7} |

1. Home is where I want to be, pick me up and turn me around
 I feel numb, burn with a weak heart, I guess I must be having fun
 The less we say about it the better, Make it up as we go along
 Feet on the ground, head in the sky... It's ok I know nothing's wrong... nothing

Chorus: Hi yo I got plenty of time...
 Hi yo you got light in your eyes
 And you're standing here beside me, I love the passing of time
 Never for money, always for love, cover up and say goodnight... say goodnight

Interlude: [repeat and solo your heart out]
 | G | Am | C^{maj7} | Am-C^{maj7} |

2. Home is where I want to be but I guess I'm already there
 I come home, she lifted up her wings, guess that this must be the place
 I can't tell one from another... Did I find you, or you find me?
 There was a time before we were born, If someone asks, this where I'll be where I'll be

Chorus: Hi yo we drift in and out...
 Hi yo sing into my mouth...
 Out of all those kinds of people you got a face with a view
 I'm just an animal looking for a home, share the same space for a minute or two
 And you love me till my heart stops, Love me till I'm dead
 Eyes that light up, eyes look through you, Cover up the blank spots, hit me on the head ah ooh...

Intro: [repeat/solo until fade out]
 | G | Am | C^{maj7} | Am-C^{maj7} |
