

## The Wire- Haim

### [Verse]

D  
You know I'm bad at communication, it's the hardest thing for me to do

And it's said, it's the most important part that relationships will go through

A G  
And I'd give it all away just so I could say that

D  
I know I know I know I know that you're gonna be okay OK anyway

D  
You know there's no rhyme or reason for the way you turned out to be

I didn't go and try to change your mind, not intentionally

A G  
I know it's hard to hear me say it but I can't bear to stay and

D  
I just know I know I know I know that you're gonna be OK anyway

### [Chorus]

G D Bm A  
Always keep your heart locked tight, don't let your mind retire, oh

G D  
But I just couldn't take it, I tried hard not to fake it

Bm A  
But I fumbled and when I came down to the wire

G D  
It felt right, it felt right, oh

Bm A  
But I fumbled and when I came down to the wire

G D  
It felt right, it felt right, oh

Bm A  
But I fumbled and when I came down to the wire

### [Verse]

D  
Does your imagination try to make you what you wanted to be  
Because I'm sorry I do what I did, but it came naturally

A G  
So I gave it all away just so I could say that

D  
Well I know I know I know I know that you're gonna be OK anyway

D  
Well I try to keep myself together, after all the opportunities  
I try to stay true to you and try to do what you wanted for me

A G  
And I'd give it all away just to hear you say that

D  
Well I know I know I know I know that you're gonna be OK anyway

### [Chorus]

G D Bm A  
Always keep your heart locked tight, don't let your mind retire, oh

G D  
But I just couldn't take it, I tried hard not to fake it

Bm A  
But I fumbled and when I came down to the wire

G D  
It felt right, it felt right, oh

Bm A  
But I fumbled and when I came down to the wire

G D  
It felt right, it felt right, oh

Bm A  
But I fumbled and when I came down to the wire
