

Million Reasons - Lady Gaga // 2016 // key: C

Intro: | C | Am | F | G |

1. You're giving me a million reasons to let you go, You're giving me a million reasons to quit the show
You're givin' me a million reasons, give me a million reasons, Givin' me a million reasons, about a million reasons
If I had a highway, I would run for the hills, If you could find a dryway, I'd forever be still
But you're giving me a million reasons, give me a million reasons, Givin' me a million reasons, about a million reasons

Chorus: I bow down to pray, I try to make the worst seem better Lord, show me the way to cut through all his worn out leather
I've got a hundred million reasons to walk away but baby, I just need one good one to stay

2. Head stuck in a cycle, I look off and I stare, It's like that I've stopped breathing, but completely aware
'Cause you're giving me a million reasons, give me a million reasons, Givin' me a million reasons, about a million reasons
And if you say something that you might even mean, It's hard to even fathom which parts I should believe
'Cause you're giving me a million reasons, give me a million reasons, Givin' me a million reasons, about a million reasons

Chorus: I bow down to pray, I try to make the worst seem better Lord, show me the way to cut through all his worn out leather
I've got a hundred million reasons to walk away but baby, I just need one good one to st-

Bridge: -aaaayyy ehh- eeeh baby I'm bleedin', bleedin' ehh ehh- eeeh can't you give me what I'm needin', needin'
Every heartbreak makes it hard to keep the faith but baby, I just need one good one, good one, good one, good one, good one, good one

Outro: I bow down to pray, I try to make the worst seem better
Lord, show me the way to cut through all his worn out leather
I've got a hundred million reasons to walk away
But baby, I just need one good one, good one, tell me that you'll be the good one, good one
Baby, I just need one good one to sta- aaaaa- ay
