

Capo 1st fret

[Verse 1]

G
I wonder if Jack and Diane ever made it
C
After the drums and the guitars all faded
G
Was the best they could do good enough?
C
Or did the heartland just swallow 'em up?
G
How did my mom and my dad ever do it?
C
If there was struggles, then we never knew it
G
I guess they had each other
C G
That was enough

[Chorus]

Em C G
You know you can't keep the ground from shaking
D
No matter how hard you try
Em C G
You can't keep the sunsets from fading
D Em
You gotta treat your life like you're jumping off a rope swing
C G D
Baby cause the whole thing's really just a shot in the dark
Em C G
You gotta love like there's no such thing as a broken heart
Em C G
You gotta love like there's no such thing as a broken heart

[Verse 2]

G C
What am I gonna tell my kids when they see all of this bullshit that goes
down on
TV?
G
When the whole world is down on its luck
C
I gotta make sure they keep their chin up
G
Cry when it hurts, laugh when it's funny
C
Chase after the dream, don't chase after the money

G
And know we got each other

C G
That's what's up

[Chorus]

Em C G
You know you can't keep the ground from shaking
