Gm

[Verse]

F Am
I am thinking it's a sign
Gm
That the freckles in our eyes are mirror images
Bb C F
And when we kiss they're perfectly aligned.
(And I)

Am
...have to speculate
Gm
That God himself did make us into corresponding
Bb C F
Shapes, like puzzle pieces from the clay.
(And true)

Am
...it may seem like a stretch, but it's
Gm
thoughts like this that catch my troubled head
Bb C F
When you're away, when I am missing you to death.
(When you) <<4 beat silence>

Am
...are out there on the road,
Gm
for several weeks of shows and when you
Bb C
scan the radio I hope this song will guide you home

[Chorus]

F C
They will see us waving from such
Bb Dm/A
Great heights come down now they'll say.
F C
But everything looks perfect from far away, come
Bb Dm/A C
down now, but we'll stay.

[Verse]

F Am
I, tried my best to leave this all on
Gm
your machine, but the persistent beat it
Bb C F
sounded thin upon listening.
(And that)
Am
...frankly will not fly, you will
Gm
hear the shrillest highs and the lowest lows
Bb C
With the windows down when this is guiding you home

[Chorus]

F C
They will see us waving from such
Bb Dm/A
Great heights come down now they'll say.
F C
But everything looks perfect from far away, come
Bb Dm/A C
down now, but we'll stay.

[Solo each chord 8 beats - mostly descending F maj]
F Am Gm [4x]

[Chorus]

F C
They will see us waving from such
Bb Dm/A
Great heights come down now they'll say.
F C
But everything looks perfect from far away, come
Bb Dm/A C
down now, but we'll stay.

[Outro]

F Am
They will see us waving from such great heights
Gm
Come down now
F Am
They will see us waving from such great heights
Gm
Come down now

[Outro Instrumental, quietly]
