

## You Oughta Know

Alanis Morissette

### [Verse 1] *softly*

F#m

I want you to know

B

that I'm happy for you.

F#m

I wish nothing but

B

the best for you both.

### - *pick up the volume* -

F#m

An older version of me Is she

perverted like me?

B

Would she go down on you in a

theater?

F#m

Does she speak eloquently? And

would she have your baby?

B

I'm sure she'd make a really excellent

mother.

### [Pre-Chorus]

F#m

'Cause the love that you gave that we

A

made wasn't able to make it enough

B

for you to be open wide. No,

F#m

and every time you speak her name

A

does she know how you told me

you'd hold me

B

until you died? Till you died, but

you're still alive.

### [Chorus]

F#

E

And I'm here to remind you

A

B

of the mess you left when you went

away.

F#

E

It's not fair to deny me

A

B

of the cross I bear that you gave to

me.

B N.C.

You, you, you oughta know.

### [Verse 2] *softly*

F#m

You ....seem..... very well.

B

Things look..... peaceful.

F#m

I'm not quite as well.

B

I thought... you.... should know.

F#m

Did you forget about me, Mr.

Duplicity?

B

I hate to bug you in the middle of

dinner.

F#m

It was a slap in the face how quickly I

was replaced,

B

and are you thinking of me when you

fuck her?

[ F#m

'Cause the love that you gave that we

A

made wasn't able to make it enough

B

for you to be open wide. No,

you'd hold me

until you died? Till you died, but

you're still alive.

Cause the joke that you laid in the

A

And every time I scratch my nails

down

A

someone else's back

B

I hope you feel it. Can you feel it?
