

All Too Well (10 minute version) - Taylor Swift // 2012 / 2021 // key: C

Intro: | C | G | Am | F |
| C | G | Am | F |

1. I walked through the door with you, the air was cold but something 'bout it felt like home somehow
And I left my scarf there at your sister's house and you still got it, in your drawer, even now

Interlude: | C | G | Am | F |

2. Oh your sweet disposition and my wide eyed gaze, we're singing in the car getting lost upstate
The autumn leaves falling down like pieces into place and I can picture it after all these days

Prechorus: And I know it's long gone and that magic's not here no more
and I might be okay but I'm not fine at all

Chorus: 'Cause there we are again on that little town street
You almost ran the red 'cause you were lookin' over at me
Wind in my hair, I was there, I remember it all too well

3. Photo album on the counter, your cheeks were turning red. You used to be a little kid with glasses in a twin size bed
And your mother's telling stories 'bout you on a t-ball team. You taught me 'bout your past thinkin' your future was me

4. And you were tossing me the car keys, "Fuck the patriarchy"
keychain on the ground, we were always skippin' town
And I was thinkin' on the drive down, "Any time now, he's gonna say it's love," you never called it what it was
'Til we were dead and gone and buried, check the pulse and come back swearin'
it's the same after three months in the grave
And then you wondered where it went to as I reached for you
But all I felt was shame and you held my lifeless frame

Prechorus: And I know it's long gone and it was nothing else I could do
And I forget about you long enough to forget why I needed to

C **G** **Am** **F**
Chorus: 'Cause here we are again in the middle of the night. We dance around the kitchen in the refrigerator light
C **G** **Am F**
Down the stairs, I was there, I remember it all too well

C **G** **Am** **F**
And there we are again when nobody had to know. You kept me like a secret, but I kept you like an oath
C **G** **Am F**
Sacred prayer and we'd swear to remember it all too well, yeah

Solo: | **C** | **G** | **Am** | **F** | **G** | **G** |

C **G**
Bridge: Maybe we got lost in translation maybe I asked for too much
Am **F**
But maybe this thing was a masterpiece 'til you tore it all up
C **G** **Am F**
Running scared, I was there, I remember it all too well
C **G** **Am** **F**
Hey, you call me up again just to break me like a promise, so casually cruel in the name of being honest
C **G** **Am** **F**
I'm a crumpled up piece of paper lyin' here 'cause I remember it all, all, all...

C **G** **Am** **F**
5. They say all's well that ends well, but I'm in a new hell every time you double-cross my mind
C **G** **Am** **F**
You said if we had been closer in age, maybe it would've been fine and that made me want to die
C **G** **Am** **F**
The idea you had of me, who was she? A never-needy, ever-lovely jewel whose shine reflects on you
C **G** **Am** **F**
Not weepin' in a party bathroom, some actress askin' me what happened, you, that's what happened, you
C **G** **Am** **F**
You who charmed my dad with self-effacing jokes, sippin' coffee like you're on a late-night show
C **G**
But then he watched me watch the front door all night, willin' you to come
Am **F**
And he said, "It's s'posed to be fun turning twenty-one" [*hold for 4 more counts*]

Interlude: | **C** | **G** | **Am** | **F** |

C **G** **Am**
6. [*quietly but build back up again*] Time won't fly it's like I'm paralyzed by it. I'd like to be my old self again, but
F
I'm still tryin' to find it
C **G** **Am** **F**
After plaid shirt days and nights when you made me your own, now you mail back my things and I walk home alone

C **G** **Am** **F**
Chorus: But you keep my old scarf from that very first week 'cause it reminds you of innocence, and it smells like me
C **G** **Am** **F**
You can't get rid of it... 'cause you remember it all too well yeah
C **G** **Am** **F**
'Cause there we are again when I loved you so, back before you lost the one real thing you've ever known

C **G** **Am** **F**
It was rare, I was there, I remember it all too well

C **G** **Am** **F**

7. **C** **Am** **F** **G**
And I was never good at tellin' jokes, but the punchline goes "I'll get older but your lovers stay my age"

C **Am** **F** **G**
From when your Brooklyn broke my skin and bones I'm a soldier who's returning half her weight

C **Am** **F** **G**
And did the twin flame bruise paint you blue? Just between us, did the love affair maim you too?

F **F** **G** **G** **F** **F**
'Cause in this city's barren cold I still remember the first fall of snow and how it glistened as it fell, I remember

C
it all too well

Am **F** **G** **C**
Outro: Just between us, did the love affair maim you all too well?
