

# Superstar by The Carpenters (1971) Key: F#m (transposed +1 from original)

| = 1 measure (4 beats)

[Intro] F#m | E | D | C#m | Bm | D | C#m | F#m | |

[Verse]

F#m E D C#m

Long ago, and oh so far away

Bm D

I fell in love with you

C#m

Before the second show

F#m E D C#m

Your guitar, it sounds so sweet and clear

Bm D

But you're not really here

C#m

It's just the radio

[Chorus]

D C#m Bm A

Don't you remember you told me you loved me baby

D C#m Bm A

Said you'd be coming back this way again baby

D C#m Bm A

Baby baby baby baby oh baby

G D

I love you, I really do

[Interlude] F#m | E | D | C#m | Bm | D | C#m | F#m | |

[Verse]

F#m E D C#m

Loneliness is a such a sad affair

Bm D C#m

And I can hardly wait to be with you again

F#m E D C#m

What to say to make you come again

Bm D

Come back to me again

C#m

And play your sad guitar

[Chorus] x2

D C#m Bm A

Don't you remember you told me you loved me baby

D C#m Bm A

Said you'd be coming back this way again baby

D C#m Bm A

Baby baby baby baby oh baby

G D

I love you, I really do
