

Broadripple is Burning
Margot & the Nuclear So and So's
Capo 2

[Intro]

Em C G Em C G

[Verse]

Em C
Children, Broadripple is burning

G
And the girls are gettin' sick

Em C
Off huffin' glue up in the bathroom

G
While your boyfriends pick up chicks

Em
And darling I'm lost

C G
I heard you whispering that night in
fountain square

Em C
The trash filled streets made me wish we
G
were heading home.

Em C
And there was love inside the basement
G

Em C
Where that woman used to lie

G
In a sleeping bag we shared

Em
Upon the floor almost every night

And darling I'm drunk

C G
everything that I have loved is turned to
stone

Em C G
So pack your bag and come back home.

[Chorus]

Em
And I'm wasted
C

You can taste it
G G/F# Em
Don't look at me that way
C Em
'cause I'll be hanging from a rope
C G/F# Em
I will haunt you like a ghost.

[Instrumental]

(Em) C G
Em C G

[Verse]

Em C
If my woman was a fire

G
She'd burn out before I wake

Em C
And be replaced by pints of whiskey

G
Cigarettes, and outer space

Em
If somebody moves

C G
everything you thought you had
will go to shit

Em C G
We've got a lot, don't ever forget that.

Em C
And I wrote this on an airplane

G
Where the people looked like eggs

Em
And when a woman that you

C
loved was gone

G
She was bombing east Japan

Em
And don't fucking move

C G
'cause everything you thought you have
will go to shit

Em C G
We've got a lot, don't you dare to forget
that.

[Chorus]

Em
And I'm wasted
C

You can taste it
G G/F# Em

Don't look at me that way
C Em

'cause I'll be hanging from a rope
C G/F# Em

I will haunt you like a ghost.

[Instrumental]

(Em) C G
Em C G

[Chorus]

Em
And I'm wasted
C
You can taste it

G G/F# Em
Don't look at me that way
C Em
'cause I'll be hanging from a rope

I will haunt you like a ghost.
