

1. **Gm Cm Gm Cm**  
 I intentionally wrote it out to be an illegible mess  
**Gm Cm Gm Cm**  
 You wanted me to write you letters, but I'd rather lose your address  
**Gm Cm Gm Cm**  
 And forget that we'd ever met and what did or did not occur  
**Gm Cm Gm Cm**  
 Sitting in the station, it's all a blur  
**B♭\* A♭\* G\***  
 Of dancehall hips, pretentious quips, a boxer's bob and weave

Interlude: **Gm Cm Gm Cm** |

2. **Gm Cm**  
 And here's the kicker of this whole shebang  
**Gm Cm**  
 You're in debt and completely fooled, that you can look  
**Gm Cm Gm Cm**  
 Into the mirror and objectively rank your wounds  
**B♭\* A♭\* G\***  
 Sewing circles are not solely based in trades of cloth  
**B♭\* A♭\* G\***  
 There's spinsters all around here taking notes, reporting on us as
