

Any Dream Will Do
Donny Osmond

[Verse 1]

I closed my eyes, threw back the curtain
To see for certain, what I thought I knew
Far far away, someone was weeping
But the world was sleeping
Any dream will do

[Verse 2]

I wore my coat (I wore my coat) with golden lining
Bright colours shining, wonderful and new
And in the east (And in the east) the dawn was breaking
And the world was waking
Any dream will do

[Chorus]

A crash of drums, a flash of light
My golden coat flew out of sight
Colours faded into darkness
I was left alone

[Verse 3]

May I return, (May I return) to the beginning
The light is dimming and the dream is to
The world and I, (The world and I) we are still waiting
Still hesitating, any dream will do

[Interlude]

C G C G

[Verse 4]

May I return, (May I return) to the beginning
The light is dimming and the dream is to
The world and I, (The world and I) we are still waiting
Still hesitating, any dream will do
