

Happier by Olivia Rodrigo [6/8]

Capo 6th fret

[Verse 1]

C
We broke up a month ago
Am
Your friends are mine
Dm
You know I know you've moved on
Found someone new
G7
One more girl who brings out the better in you
C
And I thought my heart was detached
Am
From all the sunlight of our past
Dm
But she's so sweet,
Dm
She's so pretty
G7
Does she mean you forgot about me?

[Chorus]

C
Oh, I hope you're happy
Am
But not like how you were with me
Dm
I'm selfish, I know
Dm
I can't let you go
G7
So find someone great but don't find no one better
G7 N.C.
I hope you're happy but don't be happier

[Interlude - Electric Guitar Lick]

```

E|-----3--0-----|
```

[Verse 2]

C
And do you tell her she's the most beautiful girl you've ever
Am
seen?
Dm
An eternal love bullshit you know you'll never mean
Remember when I believed
G7
You meant it when you said it first to me

C

And now I'm picking her apart
Am
Like cutting her down, will make you miss my wretched
heart
Dm
But she's beautiful,
Dm
She looks kind
G7
She probably gives you butterflies

[Chorus]

C
I hope you're happy
Am
But not like how you were with me
Dm
I'm selfish, I know
Dm
I can't let you go
G7
So find someone great but don't find no one better

[Bridge]

C
I hope you're happy
Am
I wish you all the best, really
Dm
Say you love her, baby
Dm
Just not like you loved me
G7
And think of me fondly when your hands are on her
G7
I hope you're happy
N.C.
But don't be happier

[Interlude]

||: C | Am | Dm | G7 :||
(Ohhhh oh, oh, oh, ohhhh oh, oh, oh, ohhhh, oh, oh, oh,
ohhhh, oh, oh, oh)

[Outro]

C
I hope you're happy
Am
Just not like how you were with me
Dm
I'm selfish, I know
Dm
I can't let you go
G7
So find someone great but don't find no one better
G7
I hope you're happy
N.C.
But don't be happier
