

# Basket Case - Green Day

## [Verse]

**Eb**                    **Bb**  
Do you have the time  
**Cm**                    **Gm**  
To listen to me whine  
**G#**                    **Eb**                    **Bb**  
About nothing and everything all at once  
**Eb**                    **Bb**  
I am one of those  
**Cm**                    **Gm**  
Melodramatic fools  
**G#**                    **Eb**                    **Bb**  
Neurotic to the bone no doubt about it

**G#**                    **Bb**                    **Eb**  
Sometimes I give myself the creeps  
**G#**                    **Bb**                    **Eb**  
Sometimes my mind plays tricks on me  
**G#**                    **Bb**  
It all keeps adding up  
**Eb**                    **C#**    **Cm**  
I think I'm cracking up  
**G#**                    **Bb**  
Am I just paranoid?  
                                 **Eb**  
I'm just stoned

I went to a shrink

To analyze my dreams

She says it's lack of sex that's bringing me

down  
                         **Eb**                    **Bb**  
I went to a whore  
                         **Cm**                    **Gm**  
She said my life is a bore  
                         **G#**                    **Eb**  
And quit my whining 'cause it's bringing her  
**Bb**  
down
