

Drink Til I Die by The Poxy Boggards

[Verse 1]

Bm
'Tis half past three and the chill is gone
A **Bm**
It's the longest binge I've ever been on
Bm
Had so many pints, my mind's stupefied
A **Bm**
But through all the haze I still hear the cry!

[Chorus]

Bm **Bm** **Bm**
DRINK, MOTHERFUCKER, DRINK, MOTHERFUCKER, DRINK!
G **D**
A curse to you lads, a curse on your head
A **Bm**
Drinking pint after pint until I am dead
G **D** **F#**
I just keep drinking and I don't know why
Bm **A** **Bm**
But tonight is the night that I drink 'til I die!

[Verse 2]

Bm
It's quarter to five and I'm still going strong
A **Bm**
Is this the only place I truly belong?
Bm
To make it all end I the good Lord beseech
A **Bm**
Lying on the floor with my drink out of reach!

[Repeat Chorus]

[Verse 3]

Bm
'Tis six in the morning, can't remember my name
A **Bm**
I see all those faces - they all look the same
Bm
And the puke on the floor makes a terrible stink
A **Bm**
What is this demon that makes me want to drink!

[Repeat Chorus]

[Verse 4]

Bm
It's now almost noon and the spinning has stopped
A **Bm**
There'll be no more drink, to the floor I do drop
Bm
And there's Ol' Nick offering eternal pain
A **Bm**
He smiles as he sings this infernal refrain:

[Repeat Chorus] x2 (second time skip first line)

Bm **Bm** **Bm**
DRINK, MOTHERFUCKER, DRINK, MOTHERFUCKER, DRINK!!!
