

**Franco Un-American by NoFX**

**G C**  
I never thought about the universe,  
**G Em**  
it made me feel small  
**Am**  
Never thought about the problems  
**C D**  
of this planet at all  
**G C G Em**  
Global warming, radio-active sites  
**Am C D**  
Imperialistic wrongs and animal rights! No!

**G C G Em Am C D G C G Em Am C D**

**G C**  
Why think of all the bad things  
**G Em**  
when life is so good?  
**Am**  
Why help with an 'am'  
**C D**  
when there's always a 'could'?  
**G C G Em**  
Let the whales worry about the poisons in the sea  
**Am C D**  
Outside of California, it's foreign policy  
**G F#/G**  
I don't want changes, I have no reactions  
**Em C D**  
Your dilemmas are my distractions

I never looked around,  
**G Em**  
never second-guessed  
**Am**  
Then I read some Howard Zinn  
**C D**  
now I'm always depressed  
**G C G Em**  
And now I can't sleep from years of apathy  
**Am C D**  
All because I read a little Noam Chomsky  
**G C G Em**  
I'm eating vegetation, 'cause of Fast Food Nation  
**Am**  
I'm wearing uncomfortable shoes  
**C D**  
'cause of globalization  
**G C G Em**  
I'm watching Michael Moore expose the awful truth  
**Am C D**  
I'm listening to Public Enemy and Reagan Youth

**G** **C**  
I see no world peace

**G** **Em**  
'cause of zealous armed forces

**Am**  
I eat no breath-mints

**C** **D**  
'cause they're from de-hoofed horses

**G** **C** **G** **Em**  
Now I can't believe; what an absolute failure

**Am** **C** **D** **G**  
The president's laughing 'cause we voted for Nader

Where can we go, Franco Un-American

**G** **D** **Em** **C**  
I want to move north and be a Canadian

**G** **D** **Em** **C**  
Or hang down low with the nice Australians

**G** **D** **Em** **C**  
I don't want to be another "I-don't-care"-ican

**G** **D** **Em** **C**  
What are we gonna do Franco, Franco Un-American
