

New York New York - Frank Sinatra

Intro 2x: D Em7

[Verse 1]

Start spreading the news, I'm leaving today
I want to be a part of it, New York, New York
These vagabond shoes, are longing to stray
Right through the very heart of it, New York, New York
I wanna wake up in a city that doesn't sleep
And find I'm king of the hill, top of the heap

[Verse 2]

These little town blues, are melting away
I'll make a brand new start of it in old New York
If I can make it there, I'll make it anywhere
It's up to you, New York, New
