[Verse 1]

C F C
Leavin' home, out on the road
F C

I've been down before
C
Ridin' along on this big ol' jet plane,
F C

I've been thinkin' about my home
C
But my love light seems so far away and
Bb F C

I feel like it's all been done
C
Somebody's tryin' to make me stay,
Bb F C
you know I've got to be movin' on

[Chorus]

Bb F C
Oh, oh big ol' jet airliner
Bb F C
Don't carry me too far away
Bb F C
Oh, oh big ol' jet airliner
Bb F C
Cause it's here that I've got to stay

Goodbye to all my friends at home,

goodbye to the people I've trusted

I've got to go out and make my way,

I might get rich, you know

I might get busted
C
But my heart keeps calling me
Bb

backwards as I get on the
F C
seven oh seven

Ridin' high, I got tears in my eyes,
Bb F
you know you got to go through hell

before you get to heaven

[Chorus]

C F C
Touchin' down in New England town,
F C
feel the heat comin' down
C
I've got to keep on keepin' on, you know
F C
the big wheel keeps a spinnin' around
C

And I'm goin' with some hesitation, you
Bb F C
know that I can surely see
C
That I don't want to get caught up in any
Bb F C
of that funky kicks goin' down in the city

[Chorus]

Bb F C
Oh, oh big ol' jet airliner
Bb F C
Don't carry me too far away
Bb F C
Oh, oh big ol' jet airliner
Bb F C
Cause it's here that I've got to stay
Bb F C

Oh, oh big ol' jet airliner
