1. I wake up in the morning at six o'clock
 They say there may be rain, but the sun is hot
 I wish I had some time just to kill today
 And I wish I had a dime for every bill I got to pay
 Some days you lose, you win
 And the water's as high as the times you're in
 So I jump back in where I learned to swim
 Try to keep my head above it the best I can

Prechorus: That's why, here I am, just waiting for this storm to pass me by

Chorus: And that's the soooooound of sunshine, coming down
 And that's the soooooound of sunshine, coming down

Aye, Aye, Ayeeeeee Aye, Aye Aye Aye Aye Aye [spoken] One, two, three, uh-huh

2. I saw my friend Bobby, he said 'what's up man,
 You got a little work or a twenty to lend?
 I opened up my hand he said, 'I'm glad to see,
 They can take away my job but not my friends

Prechorus: You see, here I am, just waiting for this storm to pass me by

 And that's the soooooound of sunshine, coming down
