1. When routine bites hard, and ambitions are low  
 And resentment rides high, but emotions won't grow  
 And we're changing our ways, taking different roads

Chorus: Then love, love will tear us apart again  
 Love, love will tear us apart again

Interlude: |A<sup>9</sup> |D |Em<sup>7</sup> |A<sup>sus2</sup> |

2. Why is the bedroom so cold? You've turned away on your side  
 Is my timing that flawed? Our respect runs so dry  
 Yet there's still this appeal that we've kept through our lives

Chorus: But love, love will tear us apart again  
 Love, love will tear us apart again

Interlude: |A<sup>9</sup> |A<sup>9</sup> |A<sup>9</sup> |A<sup>9</sup> |[Repeat 2x]

3. You cry out in your sleep, all my failings exposed  
 And there's taste in my mouth, as desperation takes hold  
 Just that something so good, just can't function no more

Outro: But love, love will tear us apart again  
 Love, love will tear us apart again  
 Love, love will tear us apart again  
 Love, love will tear us apart again
