

Intro: [2x] | E | E E E F#-G | G | G |

1. So this ain't the end - I saw you again today, I had to turn my heart away  
Smile like the sun, kisses for everyone and tales, it never fails!

Chorus: You lying so low in the weeds, I bet you gonna ambush me  
You'd have me down, down, down, down on my knees. Now wouldn't you, Barracuda?

Interlude: [2x] | E | E E E F#-G | G | G |

2. Back over time we were all trying for free, you met the porpoise and me  
No right, no wrong; selling a song - a name, whisper game

Chorus: And if the real thing don't do the trick you better make up something quick  
You gonna burn, burn, burn, burn it to the wick, ooh, barracuda? Oooh yeah

Bridge: "Sell me sell you" the porpoise said.  
Dive down deep now. Save my head. You... I think that you got the blues too  
All that night and all the next swam without looking back  
Made for the western pools - silly, silly fools
