It's a subject we rarely mention

G F

But when we do we have this little invention

By pretending they're a different world from me

G F

I show my responsibility

One world is enough, for all of us

G F G F

One world is enough, for all of us

VERSE TWO

The third world breathes our air tomorrow

G F

We live on the time we borrow

G F

In our world there's no time for sorrow

G F

In their world there is no tomorrow

G F G F

One world is enough, for all of us

G F G F

One world is enough, for all of us

VERSE THREE

G F

Lines are drawn upon the world

G F

Before we get our flags unfurled

Whichever one we pick

G F

It's just a self deluding trick

G F G F

One world is enough, for all of us

G F G F

One world is enough, for all of us

VERSE FOUR

G F

I don't want to bring a sour note

G F

Remember this before you vote

G F

We can all sink or we all float

G F

'Cos we're all in the same big boat

CHORUS

G F G F

One world is enough, for all of us

G F G F

One world is enough, for all of us

OUTRO

It may seem a million miles away

G F

But it gets a little closer everyday

G F G F

One world One world

G F G F

One world One world

JAM IT OUT!
