

## Los Ageless by St Vincent (2017) Key: Gm

[Verse 1]

**Cm** **Gm**  
In Los Ageless, the winter never comes  
**Cm** **Gm**  
In Los Ageless, the mothers milk their young  
**Fm**  
But I can keep running  
**Fm**  
No, I can keep running  
**Cm**  
Ah, ah, oh ah, ah  
**Cm** **Gm**  
The Los Ageless hang out by the bar  
**Cm** **Gm**  
Burn the pages of unwritten memoirs  
**Fm**  
But I can keep running  
**Fm**  
No, I can keep running  
**Cm**  
Ah, ah, oh ah, ah

[Chorus] x2

**Cm**  
How can anybody have you?  
**Baug**  
How can anybody have you and lose you?

**Eb/Bb**

How can anybody have you and lose you  
**Am7b5**  
And not lose their minds, too?  
**Cm Gm**

[Verse 2]

**Cm** **Gm**  
The last days of the sunset superstars  
**Cm** **Gm**  
Girls in cages playing their guitars  
**Fm**  
But how can I leave?  
**Fm** **Cm**  
I just follow the hood of my car, oh, ah, ah  
**Cm** **Gm**  
In Los Ageless, the waves they never break  
**Cm** **Gm**  
They build and build until you don't have no  
escape  
**Fm**  
But how can I leave?  
**Fm** **Cm**  
I just follow my hood to the sea, go to sleep  
[Repeat Chorus]

## Los Ageless by St Vincent (2017) Key: Gm

[Bridge]

**Cm** **Fsus2**  
Oh my Lord, oh, we really did it now  
**Cm** **Fsus2**  
I'm a monster and you're my sacred cow  
**Cm**  
But I can keep running  
**Fsus2**  
No, I can keep on running  
**Cm** **Fsus2**  
Oh... Oh, oh, oh

[Chorus] x2

**Cm**  
How can anybody have you?  
**Baug**  
How can anybody have you and lose you?  
**Eb/Bb**  
How can anybody have you and lose you  
**Am7b5**  
And not lose their minds, too?

[Outro] **Cm** **Baug** **Eb/Bb** **Am7b5**

**Cm** **Baug**  
I guess that's just me, honey, I guess  
that's how I'm built  
**Eb/Bb** **Am7b5**  
I try to tell you I love you and it comes  
out all sick  
**Cm** **Baug**  
I guess that's just me, honey, I guess  
that's how I'm built  
**Eb/Bb** **Am7b5**  
I try to write you a love song but it comes  
out a lament
