

**Enjoy The Silence by Depeche Mode (1990)**

(transposed -2)

**[Intro]**

Am C x 2

**[Verse]**

Am  
Words like violence  
Cm  
Break the silence  
F  
Come crashing in  
F  
Into my little world

Am  
Painful to me  
Cm  
Pierce right through me  
F  
Can't you understand  
F  
Oh my little girl

**[Chorus]**

Dm F  
All I ever wanted, all I ever needed  
Am C  
Is here in my arms  
Dm F  
Words are very unnecessary  
Am G#  
They can only do harm

**[Interlude/Instrumental]**

Am C x 6

**[Verse]**

Am  
Vows are spoken  
Cm  
To be broken  
F  
Feelings are intense  
F  
Words are trivial

Am  
Pleasures remain  
Cm  
So does the pain  
F  
Words are meaningless  
F  
And forgettable

**[Repeat chorus]**

**[Outro]**

Am C (repeat until done, also repeat the chorus a couple of times if you feel like it)
