I don't want to play
               D                    G
I just want to bang on the drum all day

[Verse 1]
A
 Ever since I was a tiny boy
  Bm
I don't want no candy
I don't need no toy
A
 I took a stick and an old coffee can
  E
I bang on that thing 'til I got
G
Blisters on my hand because

[Chorus]
D               G
I don't want to work
          D                    G
I want to bang on the drum all day
Yes, I do
D               G
I don't want to play
               D                    G
I just want to bang on the drum all day
That's right

[Verse 2]
A
 When I get older, they think I'm a fool
Bm
  The teacher told me I should stay after school
A
 She caught me pounding on the desk with my hands
       E                             G
But my licks were so hot, I made the teacher wanna dance
And that's why

[Chorus]
```

```
D               G
I don't want to work
          D                    G
I want to bang on the drum all day
Hey, why not?
D               G
I don't want to play
               D                    G
I just want to bang on the drum all day
I'm gonna bang now

I want to bang on the drum all day
I can bang that sucker
D               G
I don't want to play
               D                    G
I just want to bang on the drum all day
Listen to this

[Verse 3]
A
 Every day when I get home from work
  Bm
I feel so frustrated, the boss is a jerk
      A
And I get my sticks and go out to the shed
      E                          G
And I pound on that drum like it was the boss' head
Because

[Chorus]
D               G
I don't want to work
          D                    G
I want to bang on the drum all day
Bang! Bang!
```

```
D               G
I don't want to play
               D                    G
I just want to bang on the drum all day
I can bang that drum
D               G
I don't want to work
          D                    G
I want to bang on the drum all day
Hey! Hey! Hey! Hey!
D               G
I don't want to play
               D                    G
I just want to bang on the drum all day
This is why I bang the drum
D               G
I don't want to work
          D                    G
I want to bang on the drum all day
Hey, you wanna take a bang at it?
D               G
I don't want to play
               D                    G
I just want to bang on the drum all day
Hey! Hey!

[Outro]
D               G
I don't want to work
          D                    G
I want to bang on the drum all day
Bang!

[Fade Out]
D               G
I don't want to play
               D                    G
I just want to bang on the drum all day
I can do this all day
D               G
I don't want to work
          D                    G
I want to bang on the drum all day
