

Snake Farm by Ray Wylie Hubbard (2006) in E

**E**  
Well a woman I love is named Ramona  
**E G D**  
She kinda looks like Tempest Storm  
**E**  
And she can dance like little Egypt  
**E G A**  
She works down at the snake farm

[Chorus]  
**E G D**  
Snake Farm - it just sounds nasty  
**E G A**  
Snake Farm - pretty much is  
**E G D**  
Snake Farm - it's a reptile house  
**E G A**  
Snake Farm - Uuuggghhhhh.....

[Instrumental]  
**E G D E G A(x4)**

**E**  
Ramona's got a keen sense of humor  
**E G D**  
She got a tattoo down her arm  
**E**  
It's of a python eatin' a little mouse  
**E G A**  
Wearin' a sailor hat that says snake farm

[Chorus]

[Guitar Solo]  
**E G D E G A (x2)**

**E**  
I asked Ramona how come she works there  
**E G D**  
She says well it's got it's charm  
**E**  
There's nothing to do in the winter  
**E G A**  
Now and then some kid gets bit at the snake farm

**[Chorus]**

[Instrumental]. **E G D E G A** (x4)

**E**

Ahh Ramona likes her malt liquor

**E G D**

And a band from Wales that's called The Alarm

**E**

She said she cried when they broke up

**E G A**

She still plays their records at the snake farm

**[Chorus]**

[Guitar Solo] **E G D E G A** (x2)

[Verse with P.M.]

**E**

Sometimes Ramona calls me up

**E G D**

And says come on down here, it's getting warm

**E**

She runs everybody off

**E G A**

And we... You know... it's a... snake farm

**E G D**

Snake Farm - it just sounds nasty

**E G A**

Snake Farm - pretty much is

**E G D**

Snake Farm - it's a reptile house

**E G A**

Snake Farm - Uuuggghhhh.....

[Repeat Chorus. End on extended "Uuuggghhh"]
