

## Keep The Car Running by Arcade Fire (2007)

[Intro] **D5**

[Verse]

**D5**

Every night my dream's the same  
Same old city with a different name

**Gadd9**

Men are coming to take me away

**D5**

Don't know why but I know I can't stay

**D5**

There's a weight that's pressing down  
Late at night I can hear the sound

**Gadd9**

Even the noise you make when you sleep

**D5**

Can't swim across the river so deep

[Chorus]

**Asus4**

**D**

They know my name 'cause I told it to them

**Bm7**

**Gadd9**

But they don't know where and they don't know when

**D5**

It's coming, when it's coming

[Verse]

**D5**

There's a fear I get so deep  
Knew the sentence before I could speak

**Gadd9**

**D5**

Ohh Ohh Ohh Ohhh

[Repeat Chorus]

**Gadd9**

**D5**

Keep the car running

[Verse]

**D5**

If some night I don't come home

Please don't think I've left you alone

**Gadd9**

The same place animals go when they die

**D5**

Can't climb across a mountain so high

**Gadd9**

The same city where I go when I sleep

**D5**

Can't swim across a river so deep

[Chorus/Outro]

**Asus4**

**D**

They know my name 'cause I told it to them

**Bm7**

**Gadd9**

But they don't know where and they don't know when

**D5**

**Gadd9**

**D5**

**Gadd9**

It's coming, oh when is it coming

**D5**

**Gadd9**

Keep the car running

**D5**

**Gadd9**

Keep the car running

**D5**

Keep the car running
