

Calling Occupants of Interplanetary Craft - Carpenters // 1976 // key: Bb, B

1. In your mind you have capacities, you know, to telepath messages through the vast unknown
 Please close your eyes and concentrate with every thought you think
 Upon the recitation we're about to sing

Chorus: Calling occupants of interplanetary craft, Calling occup- ants of interplanetary, most extraordinary craft

[key change +1]

Calling occupants of interplanetary craft, Calling occu- pants of interplanetary craft

Calling occu- pants of interplanetary, most extraordinary craft

You've been observing our Earth and we'd like to make a contact with you...

We are your friends

Chorus: Calling occupants of interplanetary craft, Calling occu- pants of interplanetary, ultra emissaries

[alien voice:] We've been observing your Earth and one night we'll make a contact with you

We are your friends

Calling occupants of interplanetary, quite extraordinary craft [tempo change: faster]

Interlude: [2x] | G^{maj7} | G⁶ | Bm⁷ | Bm⁶ |

Bridge: And please come in peace, we beseech you (only our loving will teach them)

Our Earth may never survive (So do come, we beg you)

Please, interstellar policeman..

Oh won't you give us a sign, give us a sign that we've reached you, oh oh
