* = hold chord (single strum)

[Intro]

G D Dsus4
Doo-doo-doo, doo-doo-doo-doo
C
Doo-doo-doo, doo-doo-doo-doo
G D Dsus4
Doo-doo-doo, doo-doo-doo-doo
C
Doo-doo-doo

[Verse 1] (G D Dsus4 C)

I'm packed and I'm holding, I'm smiling,
She's living, she's golden, she lives for me
She says she lives for me
Ovation her own motivation
She comes around and she goes down on me
And I make her smile like a drug for you
Do ever what you want to do, coming over you
Keep on smiling what we go through
One stop to the rhythm that divides you

[Pre-Chorus 1] (G D Dsus4 C)

And I speak to you like the chorus to the verse
Chop another line like a coda with a curse
Come on like a freak show takes the stage
We give them the games we play she said

[Chorus 1]

G D Dsus4 C
I want something else
G
To get me through this
D Dsus4 C
Semi-charmed kind of life baby, baby
G D Dsus4 C
I want something else, I'm not listening
G D Dsus4 C*
when you say good~~~bye

[REPEAT Intro]

[Verse 2] (G D Dsus4 C)

The sky it was gold, it was rose
I was taking sips of it through my nose
And I wish I could get back there
Some place back there
Smiling in the pictures you would take
Doing crystal meth will lift you up until you break
It won't stop. I won't come down
I keep stock with a tick-tock
rhythm, a bump for the drop
And then I bumped up, I took the hit that I was given
Then I bumped again. Then I bumped again, said

[Pre-Chorus 2]

D C
How do I get back there to
D
The place where I
C
fell asleep inside you?
D C
How do I get myself back to
D
The place where, you said

[REPEAT Chorus 1]

[Verse 3]

G* D* C*
I believe in the sand beneath my toes
The beach gives a feeling
G*
An earthy feeling
D* C*
I believe in the faith that grows
And the four right chords can
G D Dsus4
make me cry
C
When I'm with you I feel like I could
G D Dsus4
die, and that would be all right
C
all right

[Bridge]
