*VERSES ONE* & TWO

```
        D          Bm          A                G
Yeah….One, two, princes kneel before you (That's what
                                                I said, now)
   D       Bm           A            G
Princes, princes who adore you (Just go ahead, now)
D         Bm                A           G
One has diamonds in his pockets (and that's some
                                              bread, now)
 D                  Bm              A          G
This one, said he wants to buy you rockets (Ain't in his
                                              head, now)
D             Bm          A        G
Yeahhhhhhhhhhhhhhhhhhhhhhhhhhhh
            D          Bm             A              G
Dib bubba dib dadip dip dadip dadima dima dubba dubba
                                  dubba dubba dubba dubba dubba

 D          Bm           A             G
This one, he got a princely racket (That's what I said now)
 D           Bm          A          G
Got some big seal upon his jacket (Ain't in his head now)
       D            Bm           A          G
You marry him, your father will condone you (How 'bout
                                              that, now)
       D            Bm          A             G
You marry me, your father will disown you (He'll eat his
                                              hat now)
```

*PRE-CHORUS*

```
G                          D
Marry him or marry me; I'm the one that loves you baby,
                                          can't you see?
        G
I ain't got no future or a family tree but
   A
But I know what a prince and lover ought to be,
A (REST)
I know what a prince and lover ought to be…
```

*CHORUS*

```
      D       Bm              A          G
Said if you want to call me baby, (Just go ahead, now)
     D      Bm              A          G
And if you like to tell me maybe (Just go ahead,
                                          now)
D        Bm             A          G
If you wanna buy me flowers (Just go ahead, now)
     D      Bm              A          G
And if you like to talk for hours (Just go ahead,
                                          now)
```

*VERSE THREE*

```
      D          Bm              A          G
Said one, two, princes kneel before you (That's
                                      what I said, now)
D          Bm             A          G
Princes, princes who adore you (Just go ahead,
                                          now)
D          Bm             A           G
One has diamonds in his pockets (and that's some
                                          bread, now)
D                Bm                A        G
This one, who wants to buy you rockets (Ain't in
                                      his head, now)
```

*PRE-CHORUS*

```
G                          D
Marry him or marry me; I'm the one that loves you
                                      baby, can't you see?
        G
I ain't got no future or a family tree but
A
I know what a prince and lover ought to be,
A                                        (HOLD A)
I know what a prince and lover ought to be...
```
