

1. "Baby, I don't feel so good", 6 words you never understood
"I'll never let you go", 5 words you'll never say
I laugh along like nothing's wrong, 4 days has never felt so long
If 3's a crowd and 2 is us, 1 slipped away

Chorus: I just wanna make you feel okay
But all you do is look the other way
I can't tell you how much I wish I didn't wanna stay
But I just kinda wish you were gay

2. Is there a reason we're not through, Is there a 12 step just for you
Our conversation's all in blue, 11 heys,
10 fingers tearing on my hair 9 times you never made it there
I ate alone at 7 you were 6 minutes away

Chorus: How'm I s'posed to make you feel okay
When all you do is walk the other way
I can't tell you how much I wish I didn't wanna stay
I just kinda wish you were gay

Bridge: To spare my pride
To give your lack of interest an explanation
Don't say I'm not your type
Just say I'm not your preferred sexual orientation
I'm so sel-fish but you make me feel helpless, yeah
And I can't stand another day
I can't stand another day

Chorus: *[quietly]*

Am **D⁷** **G** **Em**

I just wanna make you feel okay

Am **D⁷** **G** **Em**

But all you do is look the other way

[loudly]

Am **D⁷** **G** **Em**

I can't tell you how much I wish I didn't wanna stay

Am **D⁷** **G** **Em**

I just kinda wish you were gay

Am **D⁷** **G** **Em**

I just kinda wish you were gay

[quietly]

Am* **D⁷*** **G***

I just kinda wish you were gay
