

So Into You (1998)

Tamia

Chords

Dmaj9 // F#m11 E

Verse 1

With every passing moment
Thoughts of you run through my head
Every time that I'm near you
I realize that you're heaven sent

Pre-Chorus

I think you're truly something special
Just what my dreams are really made of
Let's stay together you and me boy
There's no one like you around
Oh baby

Chorus

I really like what you've done to me
I can't really explain it,
I'm so into you
I really like what you've done to me
I can't really explain it,
I'm so into you

Verse 2

It could be the way that you hold me
It could be the things that you say
Oh I'm not too sure what it is boy
But I know I like feeling this way

Pre-Chorus

I think you're truly something special
Just what my dreams are really made of
Let's stay together you and me boy

So Into You (1998)

There's no one like you around
Oh baby

Chorus

I really like what you've done to me
I can't really explain it,
I'm so into you
I really like what you've done to me
I can't really explain it,
I'm so into you

Bridge

I really like
What I feel when I'm with you
You're a dream come true
Don't you ever leave my side
'Cause it feels so right

(Fade out on chorus)
