1. I can't believe we're finally alone, I can't believe I almost went home
What are the chances? Everyone's dancing and he's not with you (Mm mm mm mm)

Prechorus: The universe must have divined this. What am I gonna do? Not grab your wrist?

Chorus: I could be a better boyfriend than him. I could do the shit that he never did. Up all night, I won't quit
Thinking I'm gonna steal you from him, I could be such a gentleman... Plus all my clothes would fit

Postchorus: I could be a better boyfriend

2. I don't need to tell you twice all the ways he can't suffice
If I could give you some advice... I would leave with me tonight

Prechorus: The universe must have divined this. Mmmmm.... Ladies first baby I insist

Chorus: I could be a better boyfriend than him. I could do the shit that he never did. Up all night, I won't quit
Thinking I'm gonna steal you from him, I could be such a gentleman... Plus all my clothes would fit

Postchorus: I could be a better boyfriend than him I could be a better boyfriend

Bridge: I never would have left you alone here on your own, glued to your phone
Never would have left you alone for someone else to take you home

Chorus: I could be a better boyfriend than him. I could do the shit that he never did. Up all night, I won't quit
I'm gonna steal you from him, I could be such a gentleman... Plus you know my clothes would fit
I could be a better boyfriend than him. I could do the shit that he never did. Up all night, I won't quit
Thinking I'm gonna steal you from him, I could be such a gentleman... Plus all my clothes would fit
