1. I've got a cupboard with cans of food,
filtered water, and pictures of you
and I'm not coming out until this is all over

A D
And I'm looking through the glass
where the light bends at the cracks
And I'm screaming at the top of my lungs pretending
The echoes belong

Bm D
Prechorus: To someone
N.C.
Someone I used to know
A D (x2)

Bm D
Chorus: And we become
N.C.
silhouettes when our bodies finally go
A D (x5)

2. I want to walk through the empty street
With something constant under my feet,
But all the news reports recommended I stay indoors
Because the air outside'll make
our cells divide at an alarming rate
til our shells simply cannot hold all our insides in,
And that's when, (that's when), that's when

Bm D

Prechorus: we'll explode

N.C.

and it won't be a pretty sight

A D (x2)

Bm D

Chorus: And we'll become

N.C.

silhouettes when our bodies finally go

A D (x10, growing la la las)
