

Chasing Fire

Chasing Fire

Lauv
Key: F
(2018)

Verse 1 ~single strums~

Bb F C Dm

I wanna hate you 'cause I still love you
And it's weighing on my chest
We keep our bodies tied together
To ignore what's coming next

Pre-Chorus

Bb F C Dm

I was driving you home in the middle of the night
But I couldn't bring myself to say goodbye
I was driving you home in the middle of the night
And there's no good way, yeah there's no good way

Chorus

Bb F C Dm

I'm chasing fire when I'm running after you, you
You got that something that I never wanna lose, lose, yeah
It's like dancing when the song's already over
Moving without getting any closer, oh oh oh oh
I'm chasing fire when I'm running after you

Verse 2

Bb F C Dm

I wanna feel you, really feel you
Not just hold you close at night
We keep our bodies tied together
To ignore what's on our minds (Yeah)

Pre-Chorus

Bb F C Dm

I was driving you home in the middle of the night
But I couldn't bring myself to say goodbye
I was driving you home in the middle of the night
And there's no good way, yeah there's no good way

Chorus

Bb F C Dm

I'm chasing fire when I'm running after you, you
You got that something that I never wanna lose, lose, yeah
It's like dancing when the song's already over
Moving without getting any closer, oh oh oh oh

No other way, no other way
Keep chasing fire
No other way, no other way
