

Across the Universe by **The Beatles** (1970)

(transposed +4, -8)

[Verse]

F **Dm**
Words are flowing out like endless
Am **Gm7**
rain into a paper cup, they slither while they pass
C **C7**
they slip away across the Universe.

F **Dm** **Am**
Pools of sorrow, waves of joy are drifting through
Gm7 **A#m**
my opened mind, possessing and caressing me.

[Chorus]

F **C7**
Jai Guru Deva Om
C **C7**
Nothing's gonna change my world
A# **F**
Nothing's gonna change my world
C **C7**
Nothing's gonna change my world
A# **F**
Nothing's gonna change my world

[Verse]

F **Dm**
Images of broken light which
Am **Gm7**
dance before me like a million eyes, they call me
C **C7**
on and on across the Universe.

F **Dm**
Thoughts meander like a restless
Am **Gm7**
wind inside a letterbox, they tumble blindly
C **C7**
as they make their way across the Universe.

[Repeat Chorus]

[Verse]

F **Dm**
Sounds of laughter, shades of light are
Am
ringing through my opened ears
Gm7 **A#m**
Inciting and inviting me.
F **Dm**
Limitless, undying love which shines
Am **Gm7**
around me like a million suns
C **C7**
And calls me on and on across the Universe.

[Repeat Chorus]

[Outro]

F
Jai Guru Deva.
F
Jai Guru Deva.
